

Dear CCS parent,

My name is Christina Zilkow and I'm the *Box Tops for Education*® & *Labels for Education* Coordinator at Calvary Christian School. I wanted to send out a letter to introduce myself and let you know that CCS participates in both of these programs.

Last year we earned \$1,100 for our school through the *Box Tops for Education*® program and ordered a bundle of art supplies with the points we earned through the *Labels for Education* program.

Chances are you purchase many of the participating products already. Train your kids to look for the labels on these products and bring them to school. Below is a tag you can use for submitting your *Box Tops for Education*® & *Labels for Education*. Simply print it. Clip it. Place it in a Ziploc bag along with the *Box Tops for Education*® & *Labels for Education* you have clipped. And send it to school. Most teachers have a box or envelope in their classrooms where kids can put them.

Thank you in advance for helping support Calvary Christian School in this simple way!

Regards,

Christina Zilkow
